Questions 32-34 refer to the following conversation.

호주식 발음 → 미국식 발음

- M: It's time that we seriously consider adding more tables to our café. Our location has become quite popular this summer thanks to many new businesses opening in the area. And we've often had to turn away patrons.
- W: Yes, it'd definitely be better to have another seating area. But where should we set it up? I feel as though we're already making good use of the space.
- M: How do you feel about getting rid of one of the display cases and arranging tables to the left of the entrance?
- W: That might work. Let's try doing it tonight. I think there are extra tables in the basement that we can use.

Questions 35-37 refer to the following conversation.

미국식 발음 → 캐나다식 발음

- W: May I speak with Ludi Tan? I'm trying to contact him on behalf of Oakland Roofing about a voice mail he left for us an hour ago.
- M: This is he. Thanks for the quick response. As I mentioned in my message, a small spot on my roof was damaged during last Friday's thunderstorm. One of your representatives came to my house yesterday. He said that the section near the chimney was in bad shape and would be costly to repair. However, he never e-mailed me a final quote like he said he would.
- W: I apologize about that, Mr. Tan. I'll contact the person who visited your home, get the quote, and then call you back shortly.

Questions 38-40 refer to the following conversation.

영국식 발음 → 호주식 발음

- W: Good morning. This is Christy from the administrative team. Seeing as you began working in a new position last Wednesday, you should come to our office to replace your employee ID.
- M: OK. However, I can't stop by tomorrow because I'm attending a convention in Baton Rouge. Would sometime next Monday be possible?
- W: I'm afraid not. You're supposed to get a new ID before the end of the week according to company policy.
- M: Hmm . . . I might be able to visit your office later this afternoon. Could I come at 4 P.M.?
- W: That should work . . . I have a meeting at 3 P.M., but it shouldn't last long. Why don't you give me a call at around 3:30 P.M. to make sure I'm available?

Questions 41-43 refer to the following conversation with three speakers.

미국식 발음 → 캐나다식 발음 → 호주식 발음

- W: We didn't order enough computers for the interns hired to work in the finance department. As of now, only 15 of them will be delivered next Monday.

- M1: Although we need 20 devices, we have five used ones in the storage closet that we can reformat.
- M2: Yeah. I thought we planned to use them, which is why I ordered as many as I did.
- W: Unfortunately, the finance director said that he wants all interns to get brand-new devices.
- M2: Oh, I didn't realize that. I'll call our supplier now and see if the existing order can be updated to include the extra machines.
- W: Thanks. And as we probably won't need those used computers anymore, please remove their serial numbers from the list of available devices when you have a chance.

Questions 44-46 refer to the following conversation.

캐나다식 발음 → 영국식 발음

- M: There you are, Alice. An accident has apparently occurred in the waiting area for office visitors. Someone knocked over a vase, and pieces of glass are all over the floor. I've got to deal with a leaking pipe on the fourth floor, so can you clean up that mess? Just grab a broom and dustpan from our maintenance office.
- W: Actually, I'm on my way home. My shift ended 20 minutes ago. Could you ask Ryan to do it instead?
- M: He's helping set up for this afternoon's press conference. The preparations are coming along slowly, so he probably can't break away from that now. I'll just take care of it myself.

Questions 47-49 refer to the following conversation.

미국식 발음 → 캐나다식 발음

- W: Hi. I'd like to book one of the barbecue areas near the community center's outdoor swimming pool. I want to use it for a party next Sunday.
- M: All right. You'll need to fill this out and pay a \$100 security deposit.
- W: Umm . . . sorry, but can I ask what the deposit is for?
- M: We need it in case you damage any of the equipment. It should be given back to you following an inspection of the area after your party.
- W: That's understandable. Oh, also . . . Do you provide charcoal for the grill?
- M: We don't. There's a convenience store one block down Harvest Street. It should have some for sale.

Questions 50-52 refer to the following conversation.

호주식 발음 → 영국식 발음

- M: Hello. I'm here to inquire about traveler's insurance for college students.
- W: I'm sorry. Our location doesn't offer insurance plans for students. Ah . . . did you mean to visit our branch near Northside Park? It's closer to Gregtown University, so they offer plans for students.
- M: I just got the address for your travel agency from a flyer. I found it at a local study abroad fair I attended recently. So, I wasn't aware you have multiple locations. Anyway, if you could give me the other branch's address, I'd appreciate it.
- W: Certainly. I'll write it down for you. Um, that branch is about a mile away, so you might want to get a taxi.

Questions 53-55 refer to the following conversation.

미국식 발음 → 캐나다식 발음

- W: I connected with a factory in India that can manufacture our copiers affordably. The plant's owner has a strong relationship with a shipping company. He said he could get us a cost-effective rate to transport our goods to the United States.
- M: Excellent. And did you explain that I'd want to come to India to inspect the facility in person prior to making a decision? I'll need to evaluate its quality control process as I've done for our partners in Mexico and Thailand in the past.
- W: I spoke with him about that via videoconference yesterday, and it won't be an issue. He said you're welcome to travel there at your convenience.
- M: OK. I'll have my assistant coordinate with him about dates.

Questions 56-58 refer to the following conversation.

미국식 발음 → 호주식 발음

- W: Good afternoon. I just opened an office for my accounting firm at 209 Randall Drive in Kingfield. And I need my business's garbage and recycling to be picked up weekly. I'm contacting your trash collection company because it's very well reviewed on blogs.
- M: Thank you for your interest in TriStar Collection. Due to city zoning laws, however, we are prohibited from operating in the Kingfield neighborhood. My apologies for the inconvenience. I recommend that you get in touch with Henderson Garbage, as they are contracted to serve Kingfield.
- W: I recall reading positive comments about that business too, so I'll definitely contact them right away.

Questions 59-61 refer to the following conversation with three speakers.

호주식 발음 → 미국식 발음 → 캐나다식 발음

- M1: Cathy, do you have any more questions for Mr. Williams before we conclude his interview?
- W: Just one. While you provided your résumé and cover letter, I didn't notice a letter of recommendation. Do you have one?
- M2: Oh, yes. I thought I attached it to the other documents, but let me check my briefcase. Ah . . . here it is.
- W: I appreciate it. I think that will do it for me, Chris.
- M1: In that case, we're done here, Mr. Williams. We'll send you the interview results by e-mail no later than next Wednesday. I can walk you back to the main lobby now.
- M2: Wonderful. Thanks for your assistance, and I look forward to hearing back from you.

Questions 62-64 refer to the following conversation and pie chart.

영국식 발음 → 캐나다식 발음

- W: Do you have a list of the computer codes associated with each color used in last month's flyer?
- M: They all appear on our intranet page after you click

on Designs, so you can find them there. Are you working on a new membership advertisement?

- W: Yes. Our airline's focus for the previous promotion was to attract more Basic Level members. But now, we want to promote the paid memberships, which provide better benefits to customers. Among those paid membership levels, we're specifically trying to improve the less popular of the two.
- M: I see. By the way, I developed a marketing research report on our competitors' paid membership programs. I can e-mail you a copy of that, if you think it will be useful.

Questions 65-67 refer to the following conversation and building directory.

호주식 발음 → 미국식 발음

- M: Thanks for showing me this laundry room. The fact that it's so modern is one more great feature of the apartment building.
- W: I'm glad you like it. I should also point out that the gym is just one floor above us now.
- M: Oh, could we take a look at it?
- W: I'm sorry, but it's closed today because some new workout machines are being set up.
- M: Then what about the recreation room? I'm rather curious about that too.
- W: I can take you there. But first, I need to run to my office quickly. My colleague just texted me saying he's having trouble printing out the application form for you to review.
- M: No problem. I'll wait here until you return.

Questions 68-70 refer to the following conversation and sign.

캐나다식 발음 → 영국식 발음

- M: Anika, I just received a memo from Donald Powell . . . uh . . . the head of maintenance. He said the parking areas in our industrial complex will be repainted.
- W: OK. When will the work begin?
- M: Well, each parking area will be closed for one day next month. The research laboratory lot will be first, and then the factory lot will be painted on May 5. The next day, the workers will paint the administration office lot, and they'll finish up with the warehouse lot on May 7. Signs will be posted in the respective buildings for each lot on the days when the work will be carried out.
- W: Where can staff park on those days?
- M: Temporary passes for a nearby parking garage will be issued. I'll hand them out on May 1.

Following this meeting, I'd like each of you to submit your two favorite outfits from our line that was released in November. Then, I'll look over your choices this afternoon and decide whether they should be altered for the runway.

Everyone, I have an announcement to make. Up until now, our yoga studio hasn't had a dress code. You've been able to wear whatever you like in the workplace. But starting next month, you'll be required to wear a uniform. It's a security issue . . . Some parts of the studio are off-limits to customers, and this policy change will make it easier to notice anyone who shouldn't be in these areas. I know everyone enjoys dressing casually at work, but you don't have anything to worry about. The uniform is simply a white polo shirt with the company logo on it. I'll order these shirts from the supplier tomorrow, so please put your size on this chart. Thanks.

Questions 80-82 refer to the following talk.

 미국식 발음

I'd like to go over a few basic payroll procedures with you all while I have your attention. To begin with, please make sure that you fill out your time sheets and send them to the accounting department every day. The departmental e-mail address is included on Page 12 of your employee handbook. Staff members should also try to submit daily reports prior to the end of their shifts. It's OK if they're received by the next day on occasion, but turning them in any later will be reflected in your annual evaluations. Also, be reminded that supervisors must formally agree to all overtime work in order for employees to qualify for time and a half. Anyone who works overtime without the required approval will be paid their usual hourly wage.

Please take your belongings, including those stored in the lockers located near the visitors' center, with you when leaving. As a reminder, the South Gate has been temporarily blocked off for renovations. Therefore, direct access to Parking Lot A is only available through the East Gate. I would also like to take this opportunity to invite you to come back next month. To celebrate our fifth anniversary, we will be hosting a special exhibition of roses and tulips from May 10 to 25. We hope to see you then!

We'll also require brochures to hand out at the convention. Document Express printed the materials for our previous event in Ottawa, and I was very pleased with their work. So, beginning on Monday, all employees who are logged in to the company's Intranet system will receive a pop-up message twice a day. If you click it, a five-minute instructional video of various stretching exercises will play. Just follow along in your workspace. It's not mandatory but, um . . . why not give it a try? You'll probably feel a lot better. I also wanted to mention that the fitness center in the building is holding a special promotion tomorrow. If you show your employee ID, you will receive a 15 percent discount on a membership. You should take advantage of this offer.

Good afternoon. This is Jia Chen calling from Denver Flooring. I'd like to respond to the phone inquiry you made yesterday, when our business was closed . . . um, about our prices. We generally charge \$30 per hour for installation. Additionally, the flooring cost per square meter varies depending on the type of material you choose. Based on the flooring type you mentioned in your message, the amount we'd charge you per square meter is \$35. If you find this to be too expensive, please consider some of the other flooring options—our most popular one is \$20 per square meter. You can find details about these materials at www.denfloor.com. If you would like to schedule a consultation, you can reach me at 555-4988.

Also, there is a problem with the housekeeping office's extension. For the time being, guests should just contact the front desk if they need things like towels or pillows. Finally, we will be offering a complimentary continental breakfast this week. It will be served in the main dining room until 10 A.M. every day. OK. That's all.
